Scouts take part in "Turkey Shoot"

Local Cub Scouts gathered recently for the first ever Greenwich Scouting "Turkey Shoot" at Seton Scout Reservation in Glenville. While no actual turkeys or other animals were used, Cub Scouts did practice hitting targets with B.B. guns, recurve and compound bows with arrows, sling shots and wrist rocket sling shots. Every Scout left the event with a special Turkey Shoot patch and Scouts

that completed all six stations earned their Archery and B.B.

Gun Belt Loops. Cub Scouting is a fun way for boys in 1st through 5th grade to make new friends, experience the outdoors and to earn a reward for completing an accomplishment or learning a new skill. For more information about Cub Scouting in Greenwich visit www.GreenwichScouting.org or contact Bob Gunsten at 203-869-8424 x111.
