

Virtual Cuboree 2020

Chris Roehler Senior D.E. Greenwich Council BSA
Special thanks to Peter Shields
Program Director of the Theodore Roosevelt Council, BSA

We may not be able to be together, but Cub Scout Adventure awaits!

Open these pages for some great ways to make your home, your yard, your very own camp!

How this works:

- Like a regular Cuboree, you have 8 activity sessions, meals, camping, and even a campfire
- Participate fully and have your parents or guardians take some photos of you doing the activities
- With parents or guardian's permission we would like to share some of your photos on Facebook
 - Email photos with the scout's name, and Pack number to chris.roehler@scouting.org.
- With your parents or guardians sign off, you will get a personalized certificate emailed back and a 2020 Greenwich Council Cuboree Patch for each Scout
- Note: Items in **BOLD RED FONT** are required for participation. Check them off as you go.

Participation is completely FREE!!!

Want to know more? Read on!

Thank you to all of the Volunteer Scouters that assisted in providing information to make this program happen!!!

Cuboree 2020 **Schedule of Events**

Ideally this is all completed this weekend (June 6-7, 2020). In case of inclement weather, the outdoor events including camping out can be done any day between now and June 15th, 2020 to count.

Saturday:

Opening Flag Ceremony 11:00AM Zoom Meeting information: **Sent to you when you register**

- **Check into camp** – all you have to do is tell your parents or guardians you are there. I promise, they will let you in.
- **Set up camp** – You have a night of camping to prepare for. Pick which experience will work for you and your family:

Indoor Camping:	Outdoor Camping:
With your parent, or a member of your household and under your parent's or guardian's supervision, set up an indoor tent made of blankets, couch cushions, boxes, or other household items in your living room. Sleep there for the night.	With your parent, or a member of your household and under your parent's or guardian's supervision, set up a tent or a tarp. Make sure you are dressed appropriately for the weather. Camp out in your yard for the night. <i>If your parent or guardian won't let you stay out...stay out as long as they will let you.</i>

- **Family Time** – You must get everyone in your household to participate with you for this. Play a board game or card game with your family. The game needs to last at least 30 minutes.
- **Activities** – See the list of activities on the following pages. You must complete 8 over the course of the weekend. Each activity must take no less than 30 minutes to complete.
- **Fun Trivia** – Check out these links to some fun Trivia for the whole family to **Test your Scouting Knowledge:** **Instructions for Parents/Scouts**
Please join for as many rapid-fire Kahoot sessions as you can! There's no score keeping for any Scouts, we hope everyone has fun and learns a little. Each round takes 5 minutes and features all-new questions. The Zoom information and the information will be sent to you when you register.
- **Help with 2 Meals** – With your parent's or guardian's permission and under their supervision, help cook a part of 2 meals. 1 indoors, and 1 outdoors. Your help must include heating something, mixing something, or chilling something. Follow the directions of your parents, or a recipe. Cooking can include frying, baking, BBQ grilling, camp stove or over a fire if you have access at home. Remember, part of helping with a meal is the clean-up afterwards. The 2 meals don't have to be on the same day.
- **Participate in the Virtual Campfire – 7PM Saturday** **Register to receive link information**
- **Campout Night** – If you can camp indoors or outdoors

Sunday: Finish any activities or help with meals that you didn't get to do on Saturday. Remember to clean up after yourself. Don't leave a trail that the family can follow!

Zoom Information for the Kahoot Trivia!!!

Please join Zoom a few minutes before the contest by clicking the following link:

This information will be sent once you register!

I'll keep everyone in the waiting room until the session begins.

All players will see the questions on Zoom; they will input the Pin Number and answer questions on Kahoot. When the Zoom starts, everyone will see a Kahoot Pin Number on the screen. To get to Kahoot:

- you can open up a second browser window on your computer and minimize each to half the screen (so you can see both at the same time)
- you can log into kahoot.it on a separate computer/tablet OR phone OR iPad
- you can download the Kahoot app onto your phone or iPad

When you put in the Pin Number, you will be automatically linked to the questions on the Zoom.

Each session has 15 questions, and 20 seconds to answer each question. Some are True/False, some are multiple choice, and some have picture clues.

After the final session, we'll send out a link that will let your Scouts (or you!) play the games whenever you like!

The schedule and the times are as follows for the trivia:

This information will be sent once you register for the event!
